The University of Georgia
Department of Campus Life

SIDEWALK AND WALL CHALK WRITING POLICY

To prevent defacing of University property (Conduct Regulations for Student Organizations, Section I., “Damage to Property”, UGA Student Handbook), the use of chalk to write messages, advertisements, etc. is prohibited in and around Department of Campus Life facilities. This includes the sidewalks and walls adjacent to the Tate Student Center, Tate Plaza, Memorial Hall, Memorial Hall Plaza and Legion Field and Pool. Any organization identified as having used chalk on the sidewalks, plaza, walls, etc. of these Campus Life facilities and adjacent areas will be assessed an appropriate clean-up charge and may face organizational sanctions.

Chalk applied to most concrete and brick surfaces is difficult and in some cases almost impossible to remove even with pressure washing. Student organizations are advised to check with the Office of Student Activities and Organizations at 102 Tate Student Center for information on approved advertising, such as banner boards; posters, flyers & bus cards; electronic sign, etc.
